

2024 Colorado Fall Home Show September 13-15 Colorado Convention Center

Move-In Information

Staggered Move-In

Move-in is staggered according to your location on the exhibit floor. This is necessary because there is only one drive-in door.

Move-in Schedule

The times below are when you can drive your vehicle on the exhibit floor, if possible. We cannot guarantee that you will be able to drive to your booth so be prepared with a **2-wheeled dolly** (you cannot bring your own forklift). **You will only be permitted to drive on the exhibit floor during your scheduled time.**

You cannot move-in prior to your scheduled time but can come in anytime after. Any unscheduled early move-ins that have not been cleared with show management could be turned away at the door and have to come back during their scheduled move-in time.

Move-in Passes

A move-in pass will be mailed to your company. The pass must be on your dashboard when you arrive to move in.

Dock Access

Dock access to the Convention Center is on the 12th & Welton Street side of the building. When you arrive during your scheduled time, dock personnel will meet you at the bottom of the loading ramp to check you in. From there, you will proceed up to the loading dock area to access and drive on the show floor to your booth.

Loading Docks

There is a limited number of loading docks where you can unload your materials. Unattended vehicles in the dock area will be towed.

Dollies are not allowed through the front doors (main entrances on street level) of the Convention Center. Any items taken out of these doors must be hand carried only.

Please note, the show floor is a work area until the show open, show management is not responsible for any damage to booths.

Move-in schedule for all ISLAND (Bulk) booths (20'x20' booths and larger):

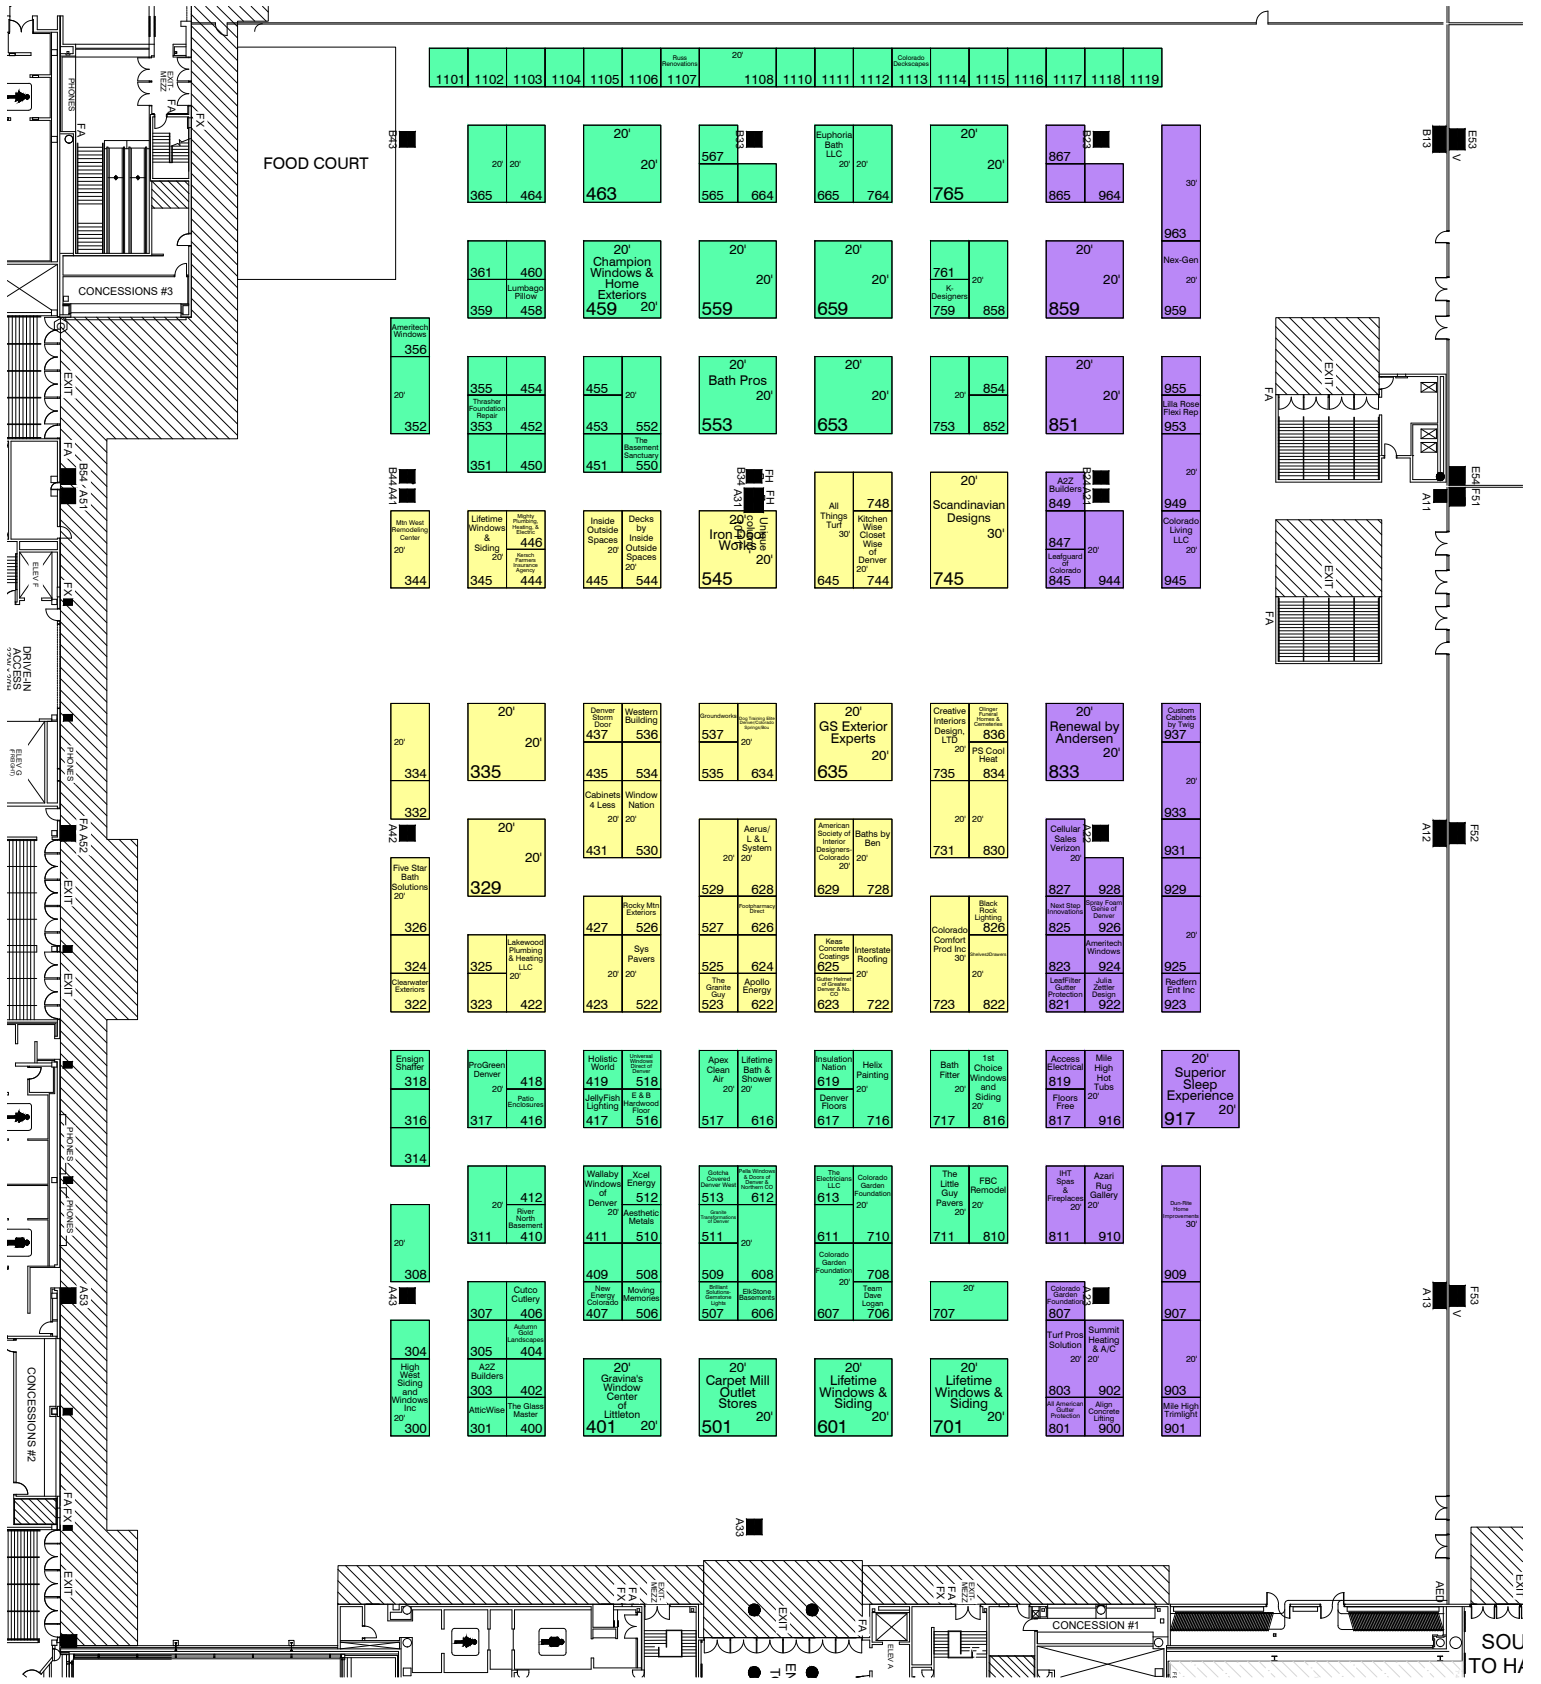

Move-in for Island (Bulk) booths begins Wednesday, September 11th at 9 a.m. This will be the only time you will be allowed to drive on the exhibit floor.
